

Il Fontanaro

Exit the Florence-Rome A1 Autostrada at Chiusi/Chianciano. Turn right at the toll and right again, direction Chiusi. Continue past Chiusi, through Po Bandino and Moiano, in the direction of Castiglione del Lago S.S. n. 71. Just outside Moiano turn right, direction Panicale and Paciano and drive up the hill to the village of Paciano. Turn right into the village at the top of the hill, with a small supermarket and bar on your left. You will then pass a restaurant on the right (named Oca Bruciata).

At the end of the long stone wall where the road divides, take the right turn into Via Madonna della Stella. Continue on this road until it divides, about 100 m later. Turn right direction Residence l'Olivo and continue downhill until you reach a small church on the right about 100m further on. Directly opposite the church is a track. Turn left onto this track which winds down through olives groves. At the next junction 400 m later, and just past a pair of wooden gates with a US mail box, turn right. Keep left at the next fork and continue passing the house on the right, up to the bank 100m on. Just past this house is a shrine at another junction. Keep to the right and continue for another 250m where the track finishes at the property.
